Using Your Recreation Area – Page 1 of 2

Welcome to Sweet Pine Creek. This information is provided so that you can utilize your facilities at the recreation area to the fullest. Please let your entire family read in its entirety.

**SPC PAVILLION RESERVATIONS & POOL**

Please go to [www.sweetpinecreek.org](http://www.sweetpinecreek.org) and select “Reserve Pavilion Form” to make your online reservation request. Holidays are reserved for the entire membership.

**IMPORTANT:** Please contact an SPC Board member, Tom Rittweger or John Faress for access to cross the bridge in a vehicle.

Please be sure to lock everything and turn off all lights if you are the last to leave.

**BE SURE TO LOCK THE POOL GATE!!!**

**CLEAN UP AFTER USING FACILITIES**

After using the facilities with your family, tennis group or any other functions, please inspect all areas for trash and cleanliness including the creek, the tree house and the restrooms. Please remove all trash bags, even if they aren't full, and replace with new bags. Replacement trash bags are tied to the cans. Large trash containers are located in the parking lot adjacent to the basketball goal.

Try to leave the area cleaner than you found it!

**PAVILLION COOKING AREA**

Plan ahead to ensure there is adequate propane in the tanks a few days prior to your event. The regulator for the tanks is designed to drain one tank at a time – ensure you have at least half of a tank remaining in at least one tank. Otherwise, contact Tom Rittweger for tank replacement.

Children are not allowed in the kitchen area without adult supervision. The LP gas grills could be very dangerous. To use the grills you must turn the gas on at the small tanks that are inside the pool fence visible from the grills.

**Directions for Lighting Grills**

1. Before lighting a grill, check the grill gas valves to be sure they are both off.
2. Open grill cover
3. Turn on gas at the tank first, and then turn on the gas at the grill you are lighting.
4. Light the grill by using long stick fireplace matches (you will need to bring your own).
5. Be sure to open both grill tops before turning on the gas and lighting. If the grill does not light turn off gas and wait five minutes before trying again.
6. After grilling your food please turn the grill on high for 10 minutes to burn off the grease.
7. Turn off tank valves when finished.

**POOL**

The combination for the lock is 8297. An adult should supervise children under the age of 13.

Please replace the furniture to its original location and lower umbrellas when you are finished. Please wash off any food or drink that may spill on the furniture or pool deck so we don't have problems with insects.

**TENNIS COURTS**

A tennis sign up sheet for reserving a court is in the cabinet near the restrooms. The light switch for the courts is on the right side of the gate. The lights will not come back on for one half-hour after they are turned off. Tennis is the only activity allowed on the tennis courts. No bikes, roller blades, or scooters. Please do not allow children to play unsupervised on the courts. Discard all trash, (ball cans and tops, old balls) in the trashcan.

Your Recreation Area belongs to you and your neighbors. It should be treated as if it were in your back yard. If you see careless, unsafe or disrespectful behavior you should quietly and politely ask that the behavior stop.

If you find a problem with the pool area, please contact Tom Rittweger. Otherwise contact a SPC Board Member or All In One Community Management.
